

Minnesota EAA Monthly Newsletter

Next Meeting:

When: October 25th
6:00-7:00pm view and test drive Zenn electric car(s)
7:00-9:00pm monthly meeting
Location: TBD (check website and watch email for location)

Agenda

New member/attendee introductions
Zenn car presentation by Tim from Linden Hills Coop

Featured speaker: Lynn Hinkle, Plug-in Hybrid Task Force

Brief bio: As a long term Health and Safety Rep for UAW Local 879, Lynn Hinkle led the local's efforts with Ford to create a Green Product/Green Plant. Still working to make Green Manufacturing a reality, Lynn has Co-Chaired Minnesota's Plug-In Hybrid Electric Vehicle Task Force, Labor and Sustainability, and works with The Twin Cities Mayors' Green Manufacturing Initiative.

Watch DVD from Plug-in-America
Update on conversion projects
